Crazy romance full movie online english subtitles.

Getty Images Some of the most iconic and memorable Black films are, no doubt, romance flicks. They tell unique stories of Black love that incorporate aspects of the African American experience, like navigating the complexities of a society driven by racial stereotypes and how that impacts their interpersonal relationships. And sure, they tend to cast some of the same celebrities time and time again, but they also serve another purpose: these diverse films often steer toward sweet, happy endings, which may not always be realistic, but are precisely what we need after a year like 2020. So, grab a blanket, snuggle up with your loved ones, and stream some of these feel-good flicks from Brown Sugar and Poetic Justice to The Photograph and Moonlight. Some may be little-known, and others have won Academy Awards, but they're all worth a watch. Here are 17 of the best Black romance movies available to stream now.

Love and Basketball follows Monica (Sanaa Lathan) and Quincy (Omar Epps), two childhood friends who fall in love with each other over the years as they both chase their dreams of playing professional basketball. All is fair in love and basketball, baby! STREAM IT HERE

Sidney (Sanaa Lathan) and Dre (Taye Diggs) can attribute their lifelong friendship and amazing careers in music to a single moment as kids on a New York City street corner when they witnessed the birth of hip-hop. Brown Sugar follows their story 15 years later as their relationship comes full circle when they remember the day they met and fell in love with music. STREAM IT HERE

Nearly 15 years after Love and Basketball, director Gina Prince-Bythewood returns with another beautiful love story, Beyond the Lights. Superstar singer Noni (Gugu Mbatha-Raw) is struggling with the success of her career and the expectations from her overbearing mother, leading her to attempt suicide. Luckily, her life is turned around when police officer Kaz (Nate Parker) saves her both physically and mentally, allowing her to be the singer she always wanted to be. STREAM IT HERE

An aspiring writer (Nia Long) and photographer (Larenz Tate) hit it off after meeting in a Chicago club. Their passion for similar interests can turn into a real romance...that is, if past relationships don't get in the way. STREAM IT HERE

After the death of her mother, a woman (Issa Rae) goes on a quest to find answers about her mother's life with the help of a journalist (LaKeith Stanfield), which leads to an unexpected romance. STREAM IT HERE

A physical therapist (Queen Latifah) lands a great gig helping an NBA star (Common) recover from an injury. But she finds herself struggling to keep things professional when she secretly falls in love with him. STREAM IT HERE

Directed by the late John Singleton, this film features Janet Jackson and Tupac Shakur and tells the story of a poet, hesitant to open up her heart after dealing with a recent loss and falling for an aspiring musician during a cross-country road trip. STREAM IT HERE

Chiron (Trevante Rhodes) struggles with his identity growing up in Miami, navigating his Blackness and his sexuality as he falls for his best friend Kevin (Andre Holland) in this Oscar-winning film. STREAM IT HERE

How Stella Got Her Groove Back (1998) Looking for a getaway, 40-year-old Stella (Angela Bassett) takes off to Jamaica with her best friend Delilah (Whoopi Goldberg). The vacation turns into a full-blown romance when she meets and falls in love a much younger guy in his 20s (Taye Diggs). STREAM IT HERE

An awkward first date turns into undeniable chemistry and a love story on the run. Proving to be much more than a Black Bonnie & Clyde, Queen & Slim brings out the true definition of ride or die while bringing a powerful and emotional piece of some of the struggles African Americans face today. STREAM IT HERE

The act of "jumping the broom" is a common African American wedding tradition dating back to the 19th century, symbolizing the union between the couple. The film tells the love story of Sabrina (Paula Patton) and Jason (Laz Alonso) when their extremely different-class families meet for their wedding. When the two sides collide, love proves that not even bickering families can get in the way of this couple. STREAM IT HERE

Daddy's Little Girls (2007) An ambitious but struggling mechanic (Idris Elba) turns to a successful lawyer (Gabrielle Union) for help when he risks losing custody of his three daughters. As the case progresses, an unexpected romance sparks between the two as they fight to keep his family together. A story about family, determination, and not letting stereotypes or misconceptions get in the way of finding love. STREAM IT HERE

If Beale Street Could Talk (2018) Acclaimed director Barry Jenkins adapted this 1970s Harlem love story based on a novel by James Baldwin, in which a young woman (Kiki Layne) hopes to achieve the American Dream and start her life with her fiancé Fonny (Stephan James). But their relationship proves to be unbreakable after Fonny is arrested for a crime he didn't commit. STREAM IT HERE

Based on the 1986 film of the same name, this is the perfect example of going with your gut. After an instant connection, two people, both skeptical of the idea of a relationship, decide to give their love a chance despite the criticism of their best friends. STREAM IT HERE

A young man (Allen Payne) is stuck in a crime-filled neighborhood in Houston, dreaming of a way out. Struggling to keep his brother on the right track, he becomes hopeful for the future when he meets and falls in love with Lyric (Jada Pinkett) in this classic flick. STREAM IT HERE

Southside With You (2016) Inspired by former President Barack Obama and first lady Michelle Obama, Southside With You depicts their first date in the summer of 1989, offering a glimpse into the beginning of a love story we all know the ending to. STREAM IT HERE

Medicine for Melancholy (2008) Waking up in bed next to a complete stranger almost never turns out well. But this independent film, directed by Barry Jenkins, is a story of the romance that blooms after two people decide to get to know each other after one drunken night and realize their feelings were actually real. Even if you haven't watched any of the 'Demon Slayer' anime series, it's impossible not to notice the frenzy that immediately followed the release of the franchise's new film, 'Demon Slayer: Kimetsu no Yaiba the Movie: Mugen Train'. The movie - a sequel to the series - caused such a stir in Japan that it broke several records and even became the nation's highest grossing film in history. Yep, that's right - it knocked Ghibli's 'Spirited Away' off the top of the chart. Despite the film's record-breaking popularity, not everyone was able to make it to the cinema to see it in 2020 due to the coronavirus pandemic. If you didn't catch the production last autumn, don't worry - the movie will be out on DVD and Blu-ray in Japan from June 16. As an added bonus, the distributor is including English subtitles with the home video release, so English speakers won't have trouble following any of the fast-paced action. Prices start at ¥3,850 for the DVD and ¥4,400 for the Blu-ray version, with pre-order already available online. And for overseas Demon Slayer fans: the movie is set for both dubbed and subbed theatrical releases in North America on April 23 and digital release on June 22, with releases in other English-speaking countries sure to follow. Here's everything you need to know about the blockbuster anime 'Demon Slayer: Mugen Train'.

Carol - the film of the year; nominated for everything: 94% on rotten tomatoes; rave reviews: Cate Blanchett; Rooney Mara; a vaguely Christmas-looking set. Carol - the film that has it all. Except that the two main characters have some of the worst chat in love's history. Admittedly, there's no accounting for the strength of body language and what's left unsaid, but some good stuff has to actually be said in order to create a great love story. Do these script lines read burning passion to you? Carol's opening line: "What was your favourite doll when you were four?" Therese: "Me?" never... Not many, to be honest." Carol: "What do you do on Sundays? Therese: "Nothing in particular, what do you do? Carol: "Oh, nothing." There's the critical car scene where Carol says something about how much she loves snow [it is snowing at the time] then a couple of beers and a loose dressing gown later, it's the sauciest affair of 2015. IS IT? Oscar Wilde said "You get married to continue the conversation." At least I thought that's what he said, but it appears what he actually said was: "Ultimately the bond of all companionship, whether in marriage or in friendship, is conversation". Who knew you could effectively paraphrase Oscar Wilde, the point being: in matters of the heart, conversation matters, at least as much as a good director and good actors matter. All too often we as viewers are seduced by sexy directing and witty editing and end up mistaking style for love. Carol is remarkably well acted and directed, and the overflowing nominations are proof of that, but, but, but, there's not even a barrel scrape of banter; in fact the only joke they share is when, this one time, Carol runs out of cigarettes. I'm all for subtlety and subtext, but, for real, if this is the height of love, I'm applying for a human emotion refund. Here are four more so-called love stories based on the definition of awkward chat.
